Wollenhaupt Tee - Create enjoyment and bring it to the world!

The passion for tea, which began at Wollenhaupt more than 130 years ago, is still the daily drive and basis for a customer-oriented corporate culture.

By offering superior product quality, innovative ideas and customised solutions, we have evolved into a leading producer and supplier of tea. Today, we are a reliable partner in over 70 countries, both for specialised retailers and for global producers of branded products.

Our portfolio includes tea in all its varieties with all cut sizes and leaf grades, with both classic and flavoured teas. We offer private label customers individual packaging concepts tailored to their needs.

From pyramid bags to individually designed flat-base bags up to transport packaging for your own packaging. Using state-of-the-art packaging technology, we efficiently produce your individual tea product - ready to market and suitable for your distribution channel. Feel free to talk to us about your ideas, goals and wishes!

Benefit from our experience and be inspired and convinced by the packaging variety offered by Wollenhaupt.

Sustainable packaging

At Wollenhaupt, we are intensively engaged in the topic of 'Packaging & Sustainability' and will support you to select the best fitting packaging materials and properly label and communicate the benefits. When choosing packaging, we always keep a close eye on the balance between the three main requirements for packaging: customer information – product protection and safety – low environmental impact.

Our sustainable packaging portfolio includes bags in a wide range of different shapes, sizes and materials:

- ✦ Glassine
